

YOUNG ENTREPRENEURS FOR LEADERSHIP & SUSTAINABILITY

2016

Mission

The **UF Young Entrepreneurs for Leadership & Sustainability** summer program gives college bound high school students the opportunity to live, work, eat, and play on the campus of the University of Florida for four weeks each summer while learning about entrepreneurship and social entrepreneurship, being inspired to solve social problems, and practicing sustainability. We empower students to become leaders and changemakers.

662

Number of opportunities our students had to meet with and learn from entrepreneurs, social entrepreneurs, and leaders in the past 10 years, including 69 this summer

1 OF 3

Students launched a business, organization, or club within a year of their YELS experience

Number of YELS students in 2016 was 56 | Total since 2007 is 374

SIXTEEN

average age of our students

Carbon Footprint

23.14 tons CO2 emitted

130.85 tons CO2 offset with service

107.71 tons of CO2 offset beyond zero
(includes 13,000 trees planted by our ACT team)

210 pounds of food waste composted instead of going into the landfill

200 pounds of glass/plastic/paper recycled instead of going into the landfill

	Service Hours Completed	Value of Service	Nonprofits	College Credits Earned
TOTAL	35,251	\$777,033	77	2,904
2016	4,225	\$99,541*	13	294
2007	1,840	\$38,364	9	102
